Our campus

Pt. Ramadhar J. Tiwari College of Polytechnic is one of the most prestigious institutes, established in 2010 by Rahul Education, Bhayandar, Mumbai. The Institute is located on the banks of holy river Ganga. At a distance of 15 KM from Chandauli Railway station and approximately 20 KM from Cantt Railway station, the campus is spread across 20 acres of lush green land. The infrastructure itself has aesthetically built classrooms, well-equipped labs, office and a computer lab with up-to-date technological access. It also has a fully equipped conference room and a computerized library, together providing a conducive environment for academic growth

We are delighted to share with you the highlights of the academic and extracurricular activities of the 2023-24 session at Pandit Ramadhar J. Tiwari College of Polytechnic. Here's a glimpse of our eventful journey!

PRINCIPALS MESSAGE

“

Welcome to our progressive and learner-centric Institute, where we believe that education is the most powerful tool to bring about a positive attitude in an individual's personality. Our focus on technical education plays a crucial role in the development of the country, empowering the poor and disadvantaged groups, and providing a variety of manpower to strengthen our infrastructural, industrial, and economic growth.

“The best preparation for tomorrow is doing your best today”

Mr. Parmatma Prasad Verma
Principal

Vision & Mission

VISION

To impart effective & quality technical education along with ethical and professional standards, which will, in turn, contribute to the growth of technical education and to serve the society by developing technically skilled engineers for the industries and quality teachers for academia

MISSION

- To transform the students into professional by enhancing their employment opportunities to meet the rapidly changing needs of the industry.
- To provide the students with 21st-century skills that include core competencies such as collaboration, digital literacy, critical thinking, and problem-solving to face new challenges.
- To provide practical exposure through industrial training and thus bridging the gap between the institute and the industry and to prepare them for continuing their higher education in the relevant field.

Odd Semester Events

1. 15th August 2023 - Independence Day Celebration:

The session began with a patriotic fervor as the entire college came together to celebrate Independence Day with a grand flag-hoisting ceremony, cultural performances, and a tribute to our freedom fighters.

2. 16th August 2023 - Orientation Program for 1st Year Students:

A warm welcome was extended to our new batch of students, introducing them to the campus, faculty, academic processes, and extracurricular opportunities.

3. 2nd October 2023 - Mahatma Gandhi Jayanti & Swachhata Abhiyan:

Commemorating the birth anniversary of the Father of the Nation, the college organized a cleanliness drive promoting the importance of hygiene and community service.

4. 11th October 2023 - Foundation Day:

The institution celebrated its Foundation Day with enthusiasm, featuring cultural programs, speeches, and a showcase of the college's journey and achievements.

5. 20th October 2023 - Industrial Visit Program:

Students got a chance to experience real-world industrial processes through an insightful visit, bridging the gap between theoretical learning and practical application.

6. 4th November 2023 - Fresher Party:

The Fresher Party was a delightful event, allowing first-year students to bond with seniors through games, music, and dance.

7. 11th - 14th November 2023 - Annual Sports Meet:

A spirited and energetic sports meet where students showcased their athletic prowess in badminton, volleyball, track races, javelin throw, shot put, long jump, and high jump.

Co-Curricular Activities

1. 24th June 2023 - Seminar on 'Electric Vehicles':

A highly informative session led by Amarjeet Maurya and organized by the P.R.J.T. student chapter, discussing advancements in electric vehicle technology.

2. 20th October 2023 - Quiz on 'Fundamentals of Electrical Circuits':

A knowledge-boosting quiz that tested and enhanced students' understanding of electrical circuits.

3. 27th October 2023 - Seminar on 'Future of Renewable Energy':

An engaging seminar focusing on the potential and innovations in renewable energy, helping students stay updated with modern technological trends.

4. 15th December 2023 - Workshop on 'Basics of PCB Design':

A hands-on workshop where students learned the foundational concepts of PCB design, essential for aspiring electrical engineers.

Even Semester Events:

1. 18th March - 8th April 2024 - Personality Development (PD)

Classes:

Focused on enhancing soft skills, communication, and career readiness, these sessions were highly appreciated by students.

2. 4th March 2024 - Farewell Party:

The session concluded on a bittersweet note with a heartfelt farewell party for the graduating batch, filled with memories, laughter, and best wishes for the future.

Placement for 2023-24:
